The Committee would like to thank all those who entered the competition, to those companies who kindly provided sponsorship, and to the judges who had the unenviable task of viewing many fields and making some difficult decisions. There were a large number of high quality entrants, (52 crops in all) and although it was a long day (160 miles were covered), it was an enjoyable day !

First and Second placed samples will be on display in the secretary's tent at the ploughing match and at the Ashford Cattle Show on 30th November and 1st December 2009.
