"This year we saw a fantastically high standard of entries once again with 62 different types of crops, from 16 different farms over 11 classes! Thank you to all those who entered the competition, to those companies who kindly provided sponsorship and to the judges, Keith Truitt, Jake Thompson and David Shepard. A special thanks must go to the stewards, Piers Carey, Jay Wrighton and Alan Day. Although there have been some long days viewing all the crops, it has been a hugely enjoyable task!"
